1. AV
2. HDMI
3. USB
4. DC

Mi Box User Manual

Install and configure the Mi Box in a few simple steps:

❶ Connect the Mi Box to the TV via a HDMI cable, then to the power source.

❷ Synchronize the remote control to the Mi Box.

❸ Choose the HDMI source that the Mi Box is connected to using the TV remote control.

❹ Connect the Mi Box to Wi-Fi.

For setup, please follow the steps on the TV screen.

**Go to the Google Play store and download the iNES Smart app
(see the iNES Smart User Manual).**
